A TRIBUTE TO THE SPITFIRE

6-8 JULY 2012

National
Trust

Polesden Lacey House & Gardens

Dorking, Surrey RH5 6BD

Surrounded by breathtaking views of the Surrey Hills Polesden Lacey, four miles from Dorking, is the exquisite setting for the Spitfire Society's first national event for 2012. The Society is immensely privileged to showcase the Spitfire at such a prestigious and elegant location to welcome and host our visitors.

The Spitfire has a historical link with Polesden Lacey in that Mrs Greville, the Edwardian hostess, personally financed the production of one of these classic fighter aircraft for the war effort.

The Spitfire Society presents

A spectacular 1940's style event with an array of aeronautical stands, art and craft stalls and an assembly of entertainment for the entire family.

At lunchtime (1pm), a Spitfire will make its first appearance of the day, providing a stunning low level display to 'whet your appetite' for the gala evening that follows the day's activities.

As daylight begins to fade, join our guests in dancing to the critically acclaimed Glenn Miller Orchestra, wine and dine but ready to raise your glasses to toast the Spitfire's return at sunset for an absolutely thrilling solo air display to conclude the day.

OPENING TIMES

1000 - 1700 each day
